The final rejection was appealed in a notice of appeal timely submitted to the United States Patent and Trademark Office on 4 August 2003 with a certificate of first class mailing. Consequently, prosecution in the subject application is closed, as required under 37 CFR 1.114(b) for filing a request for continued examination. The appeal was dated 8 August 2003. A request to extend the time to file an appeal brief in the appeal with respect to the subject application through 8 March 2004 is being submitted with the present reply to an Office Action and request for continued examination. Consequently, the request for continued examination submitted herewith and the present reply to an Office Action constituting a submission accompanying the request for continued examination as required under 37 CFR 1.114(a)(c) are being timely submitted with a certificate of first class mailing before abandonment of the subject application as required under 37 CFR 1.114(a).
